Due to the increased age group and additional risk that may be incurred for this activity, I, _____, parent of _____, understand that an evaluation will be conducted (Skills Assessment). If the assessment does not indicate my child is capable of sustaining the level of skill that is needed to participate, he/she will not be able to participate. This is the determination of the Sports Director. I accept full responsibility and liability in the event my child sustains injury due to participation in an older age division. A medical exam has been conducted (attached) and the physical has indicated (in writing) there are no physical concerns for my child to participate in an advanced, excelled, and higher age division.
