

This trip is designed to take riders on a guided trail ride through the foothills of Denali State Park while enjoying views, as weather allows, of Denali and the surrounding mountains. Participants can expect to be on the trails for anywhere from 4-6 hours which includes a break for lunch. Trail routes may vary based on weather conditions.

For more information on trip dates, pick up a copy of our winter Outdoor Adventure Guide!

Cost:

- Drivers: \$149 per person
- Rider: \$50 per person

Time: 7:30 a.m. - 6 p.m.

Meet: OAP, Bldg. 7301

Age limit:

- 12 & up for riders
- 16 & up with a valid drivers license to drive

Safety:

- If there is heavy snow fall that makes driving conditions dangerous or temperatures are colder than -10 for either ambient or initial wind chill in the areas of operation a secondary site will be selected if possible. If no location meets the safety requirements the trip will be canceled and rescheduled.

Gear Provided:

- Snowmachines
- Helmets
- Reflective Vests

Special Information:

Parents must understand this can be an extremely cold weather ride with no warm up buildings on the trail, we will be covering approximately 50 miles while riding and could experience wind chills below -30 F.

Cancellation Policy

Cancellations and/or changes to an existing reservation must be made at least (3) days prior to the scheduled reservation for a 50% refund. Cancellations and/or changes within 3 days of pending reservation will forfeit all monies paid and receive no refund. The only exceptions to the cancellations policy is emergency military duty with written documentation from your supervisor or a written doctor's note.

Personal Gear Checklist:

- Extreme cold weather boots (*rated for -50 degrees*)
- Extreme cold weather issue/civilian equivalent (*Gor-Tex and ECW system*)
