OTHER IMPORTANT INFORMATION:

1. Every child is guaranteed equal playing time. Our philosophy upholds the old adage, “It is better to play on a losing team, than sit on the bench of a winning team.”
2. Teams will be formed and game schedules will be created once registration has closed. Game scheduling is dependent on how many children participate and how many teams are formed.
3. The JBER Youth Sports program will be furnishing end-of-season trophies & pins during the season ending tournament.
4. Parents must supervise all children during games.
5. Please volunteer as a team mom/dad to assist our wonderful volunteer coaches.
6. Children must wear uniforms provided. Shirts must be tucked in at all times during games. All jewelry and watches must be removed (studded ear rings approved). No black sole sneakers.
7. All trash (from snacks) will be picked up and by each team after each game.
8. We ask all families to walk around the outside of the playing court. This is for the safety of the children.
