How long have you been working for FSS?

What do you like most?

I've been with FSS since March of 2022. What I like most is that I have great opportunities to help so many people daily. It's very rewarding!

Why did you want JBER as your next duty assignment?

I needed to challenge myself and go on a great adventure! I received JBER, Alaska, which is challenging, but a great experience.

What are some of your daily duties?

Some of my daily duties include tending to customer needs, and updating and storing records for future use.

What is the coolest thing about your job?

The coolest thing about my job is that I meet many distinguished, high-ranking individuals. It's an excellent way to communicate and learn from them.

What fun things do you do outside of work?

I love to go fishing and enjoy grilling with my friends on the weekends. Alaska is full of fishing opportunities to enjoy.

Fun fact about yourself?

All of my family has served in the military, including myself.
