People of JBER

Joshua Grieser

Occupation: Elmendorf Fitness Center Director
Hometown: Sammamish, WA

How long have you been working for FSS?

I have been working in FSS for 13 years at multiple installations and I am in my 8th year at JBER. The thing that I like the most about FSS is that it is all about service and finding ways to help others.

What made you apply for your position?

I had a really good assignment at USAFA but when a job at JBER opened up my family figured Alaska was a bigger, wilder, less busy Colorado, and here we are!

What is the coolest thing about your job?

That I get to work in a gym every day and see customers and staff reach their fitness goals.

What fun things do you do outside of work?

My family spends as much time as possible outside enjoying everything Alaska has to offer. We fish, hunt, Cross Country ski, mountain bike, hike, etc.

Fun Fact about yourself?

I volunteer as a board member with Abbott O'Rabbit Little League and the Southcentral Alaska Trout Unlimited Chapter.

Final thoughts for the JBER Community?

At JBER Fitness we pride ourselves by having something for everyone and we manage our programs to meet the diverse physical training demands of our authorized user groups. As such I would like to challenge our customers to try something new in our facilities and give us some feedback about it.
