Army IgnitED
Credentialing Assistance

In 2020 the Army Created the CA program and it is open to all Active, Guard, and Reserve Soldiers. CA shares the same \$4,000 per FY allocation with Tuition Assistance (TA). CA allows soldiers to pursue training towards Army Cool/DoD Cool approved Certifications and covers training, materials, exams and recertification fees. CA does NOT have an ADSQ and is not connected to a specific MOS or Rank. It is also not connected to any previous degrees you have. Funding is paid up front and each vendor has their own policies on what is included and length of time you can attend.

People of JBER

Brittney Barba

Hometown: Phoenix, Arizona

Occupation: Travel Clerk/Coordinator

What are some of your daily duties at Information, Tickets & Travel?

I have the pleasure of booking local and worldwide adventures and activities. I work closely with tour companies all over the world creating the perfect holiday for each member we serve. Every day, I help people coordinate their events in person, over the phone, or via email.

What do you like the most about working for the Force Support Squadron (FSS)?

My coworkers welcomed me instantly, and made me feel like I belonged.

How long have you been working on JBER?

My family moved to Alaska on January 16 and I began working at ITT the very next day!

What is the coolest thing about your job?

Being able to make vacations affordable for as many members as possible.

What is your favorite thing to do this time of year?

I love animals, so in the spring, I try to go to as many zoos, aquariums, and conservation centers as possible to see the new babies!

Fun facts about yourself?

I have two children, and four fur babies. I am a Navy brat, but have lived on or near more Air Force bases than Navy. I lived in a house built in the 1640s in Soham Village in England.
