People of JBER

Alicia Bowens

Hometown: Denver, CO
Occupation: Assistant Director
of Information Technology
773d Force Support Squadron

What is your role?

I've been with FSS since July 2022. I transitioned from being an Air Reserve Technician to straight civil service. I'm the Assistant Director of the NAF IT Office. I perform supervisory and Information Technology duties related to the management of Air Force Nonappropriated Funds point-of-sales and Air Force Services Activity business systems on JBER.

What are you looking forward to most in your (new) role?

Career broadening experience as I transition from the military to civilian life.

How do you spend your free time?

I spend my free time relaxing. Whether it be enjoying food and drinks with friends and family or spending some quiet time at home.

What is your favorite activity on JBER?

tubing at Hillberg Ski Lodge, Arts & Crafts, and Skeet.

Fun fact about yourself?

I love deep sea fishing! Last summer was the first time I went deep sea fishing in Alaska. I caught halibut, salmon, rockfish, and cod. I even caught a stingray (I didn't keep it).

What is your favorite thing to do this time of year?

Enjoy springtime and sunshine 🌞
