People of JBER

Amanda Carlson

Hometown: Jacksonville, FL
Occupation: JBER Life! Membership & Permafrost Pub Operations Assistant
773d Force Support Squadron

What is your role?

My current role is managing the Permafrost pub as well as the JBER Life! Membership program. It is new as of the middle of April. I was previously with Information Tickets and Travel for a year and a half. Shout out to my GIRLS!

What are you looking forward to most in your role?

For the Permafrost Pub, developing drinks tailored to our unique installation. For JBER Life! Membership, planning events that our members will enjoy and experience new things on the installation.

How do you spend your free time?

I love reading, shopping, hiking, and exploring Alaska with my husband, and two boys (16 & 10). Most days you can find me playing Stardew Valley or tending to my plants and gardening. I'm always down for a wine walk in Palmer, attending Arctic Entries at the Performing Arts Center, or at any local brewery for tasting. Coffee is what I can't live without, I like trying any local coffee spot.

What is your favorite activity on JBER?

The Arctic Thunder Open House. We were here last time it came, and it was awesome. So far my favorite thing. Day-to-day my family enjoys Polar Bowl and Moose Run Golf Course.

Fun fact about yourself?

I love football! Being from the South it is mandatory to love football. You don't get to pick your team, it is more of a decision you are born into. Go Florida Gators and Jacksonville Jaguars!

What is your favorite thing to do this time of year?

Be OUTSIDE, camping, golfing, ziplining, ATVing, hiking, but mostly the Midnight Sun.
