## Janice Turner

Hometown: Ulm, Germany & Clarksville, TN  
Occupation: Outdoor Recreation Director

# People of JBER

### What are some of your daily duties working for the Outdoor Recreation Center?

I manage budgets, projects, problem solving, and much more.

### What do you like the most about working for FSS?

FSS has given me the opportunity to work at different Military installations and pursue my masters degree through the Air Force by attending ACSC-OLMP.

### How long have you been working on JBER?

I've worked on JBER since April 2022 after I PCS'd from Scott AFB. I have worked for the Outdoor Recreation Center at Fort Campbell, Dover AFB, Scott AFB, and now JBER.

### What is the coolest thing about your job?

I have the privilege to guide and support my team while they continue to grow in their positions.

### What are you looking forward to this winter?

This will be my first winter in Alaska, so I'm looking forward to doing winter activities with my family, such as tubing and skiing at Hillberg Ski Area, dog sledding, ice fishing, snowmachining, and more.

### Fun facts about yourself?

I volunteer and help with the Air Force Outdoor Recreation Facebook page. I found my passion for the outdoors when I started working for the Outdoor Recreation Center in 2008 while my husband was deployed in Afghanistan. Also, if my family isn't outside, then you'll find my husband playing guitar while my daughters and I sing, "All I want for Christmas..."

# Hillberg Ski Area is Hiring!

Working at Hillberg is a great way to get out of the house during Alaska's cold and dark winter months. Hillberg embraces winter activities and promotes fun during these months.

## WHY SHOULD I WORK FOR HILLBERG SKI AREA?

Working at Hillberg Ski Area is a great way to learn new skills such as cash handling, excellent customer service, or even how to operate a chair lift and make snow. Most positions at Hillberg require no experience, and you will receive on-the-job training. There are some perks that come with being an employee at Hillberg Ski Area, such as: **FREE lift tickets**, **FREE rentals** for you and your immediate family, and **FREE tubing!** Hillberg Ski Area is a fun and fast-paced winter job that serves the Military community and their families.

## WHAT ADVICE DO YOU HAVE FOR SOMEONE INTERESTED IN APPLYING?

Our biggest piece of advice for someone interested in applying is knowing about the position you are applying for. Hillberg is hiring for many different positions on the USAJobs website. The different positions we offer are:

**LABORER** – If you love the outdoors, you'll fit right in as our skilled laborers. In the pre-season, laborers have many tasks outdoors. Some examples include making snow and conducting maintenance projects. While Hillberg is open for daily operations, laborers mainly run the chair lift, tubing lift, and bunny lift.  
**RECREATION ASSISTANT** – Recreation Assistants sell tickets and items in our pro shop, set up rental equipment for customers, and even perform equipment maintenance when necessary.

**INSTRUCTOR** – If you love teaching, we have ski and snowboard instructors who conduct lessons for customers that want to learn how to ski or snowboard. We also offer opportunities for you to become a certified instructor under the Professional Ski Instructors of America (PSIA) or the American Association of Snowboard Instructors (AASI).

**SKI PATROLLER** – We find safety very important, so our Ski Patrollers enforce and ensure safety on our ski hill and tubing hill. Ski Patrollers respond to and treat injuries at Hillberg.

## TIPS WHEN APPLYING:

Go to [USAJobs.gov](https://www.usajobs.gov) and type "NAF" in the Keywords and "Elmendorf AF Base, Alaska" in the location search bar to view and apply. Spell out all acronyms. Be descriptive and thorough.

Your audience is the hiring manager and HR. Assume they are unfamiliar with information pertaining to your current and prior positions. For each experience include:

- Specific duties and tasks
- Past experience with instructing, ski hills or maintenance
- Results and outcomes (i.e. saved money, time, consolidated resources, etc.)

# North Pole

With the ending of fall, a wonderful new time emerges in Alaska. Prepare to fall in love with the flurries of winter, spend time with family and friends, and embrace the holiday season. There's always time to make a lasting memory, create a new family tradition, or get out there to see this great winter wonderland. Whether it's your first winter this far north or you are a lifelong Alaskan, here are a few ideas to make your holiday season one to remember.

Visit North Pole, Alaska! Of course, we can't start the holiday season without mentioning the Big Guy himself. He's round, jolly, and has some magical friends helping him out. Yes, I'm talking about Santa Claus (a personal friend of mine), and the charming Christmas town he surveys. In North Pole's enchanting Christmas Town, you can get your last-minute requests to Mr. Claus himself, feed reindeer to prepare them for their long journey, and pick out some beautiful decorations for family and friends. Be sure to check out the "Christmas in Ice" event that happens throughout the holidays. These are sure to make the season all the more magical.

If you're looking for something new, the Alaska Railroad's Holiday Train is a unique and exciting adventure! Ride in warmth and comfort along Turnagain Arm while listening to Christmas music, with the possibility of a special visitor. Or drive to Palmer and visit the Alaska State Fair grounds to witness their "Bright Up the Night" event, Alaska's largest drive-through holiday lights display.

No matter what town, city, or village you call home this winter, the tradition of going around and viewing Christmas lights is a pastime that lives on. Pour a mug of hot chocolate, grab some blankets and friends, and drive around to look for Christmas displays and events. Make new memories with those special people, and reflect on past memories, too.

Merry Christmas and Happy New Year from the team at JBER's Information, Tickets, and Travel. Book your next Alaskan adventure at the North Pole today by calling 753.2378 or email [AFTravelAlaska@gmail.com](mailto:AFTravelAlaska@gmail.com).
