AT-HOME PARENT ACTIVITIES MAKE OOBLECK

Mix **2 cups** of cornstarch
to **1 cup** of water in a bowl.
Continue mixing the
cornstarch and water
until Oobleck is formed.

PARENT ACTIVITY

YESTERDAY, TODAY & TOMORROW

Each day, talk with your child about different things he/she did yesterday and today, and something he/she plans to do tomorrow. Emphasize yesterday, today and tomorrow in your discussion. Comparing what happened yesterday and today can also support awareness of differences in days.

FREE Kids' Safety Workshop!

Prepare With Pedro & Hands-only CPR

The Integrated Resilience Office, the Red Cross, and the JBER Library are offering FREE youth disaster preparedness presentations for elementary-aged students! Students will receive a fun emergency preparedness item and an age-appropriate presentation to help teach them how to stay safe during a disaster. The Red Cross will also offer a free hands-only CPR demonstration for all ages.

The Prepare with Pedro presentation, for students in grades K-2 (ages 4-7), is a 30-45 minute classroom-based presentation that teaches students to:

Identify the best ways to stay safe during emergencies that can occur in their communities.

Identify the best ways to prevent and stay safe during a home fire.

Use coping skills to help manage stress during emergencies and in everyday situations.

Gain confidence in their abilities to be prepared for emergencies through hands-on activities.

Use their knowledge to act as advocates for emergency preparedness in their homes and communities.

Discuss the role science plays in emergency preparedness.

**Sign up for this FREE presentation today!
Provide your students and their families with this life-saving emergency preparedness training from the Red Cross.**

Brunch Weekends Are back!
Sat & Sun • 10:30 AM – 1:30 PM

Enjoy breakfast skillet, a pasta station, carved meats & more – open to everyone!

Discover the **SECRET** to adding health and flavor!

Hot, medium or mild - adding spices to your favorite dishes is a healthier way to deliver great flavor without adding salt.

In moderation, salt is perfectly alright. But you may have heard too much can be bad news for your health. Pure herbs and spices are sodium-free and essentially calorie-free, which means you can use as much as you want!

So put down the salt shaker, get creative and experiment with ways to add more spice to your life! Your perfect blends and favorite pairings are just waiting to be discovered!

Dining with us? We've teamed up with the American Heart Association to decrease the amount of sodium in the food we serve by 20%.

Want some "spicy" tips for cooking with less salt? Visit FYP365.com for tips and tricks from our chefs.
