HIGH FLIGHT

By John Gillespie Magee Jr.

*"Oh! I have slipped the surly bonds of Earth
And danced the skies on laughter-silvered wings;*

*Sunward I've climbed, and joined the tumbling mirth of sun-split clouds,
and done a hundred things you have not dreamed of — wheeled and soared and swung
High in the sunlit silence.*

*Hov'ring there, I've chased the shouting wind along
and flung my eager craft through footless halls of air...*

*Up, up the long, delirious, burning blue,
I've topped the windswept heights with easy grace
where never lark, or even eagle flew.*

*And, while with silent lifting mind I've trod
the high un-trespassed sanctity of space,
put out my hand and touched the face of God."*

Come join the **JBER Aero Club**, and learn to fly. If interested in this ultimate rush, contact Jennifer King at jennifer.king.30@us.af.mil

REAL GREEN EGGS & HAM

Toss eggs and spinach into a blender then give it a whirl! Scrape down the sides and sprinkle in some salt and pepper. Pulse the blender until the spinach is fully blended. Melt butter in a small pan and begin to scramble the eggs. While the eggs are cooking, you can heat up the ham in a separate pan. Once fully cooked, serve and enjoy this irresistible meal!
