# JBER Aero Club / Flight Training Center (FTC): Who will you fly with?

The JBER Aero Club / Flight Training Center blends the best of U.S. Air Force and civilian flight instruction, giving aspiring pilots access to professional-level training right here on base. Students learn from experienced instructors, including former Air Force and Marine Corps pilots, through structured Part 141 programs that can reduce required training hours by up to 50 hours compared to traditional schools.

Training is supported by a highly reliable aircraft fleet, which maintained over 90% Full Mission Capable availability during FY25, along with a Redbird MCX Advanced Aircraft Training Device that helps pilots build instrument proficiency and maintain flight currency.

With a strong focus on safety, professionalism, and real-world aviation skills, the JBER Aero Club offers an exciting pathway for anyone ready to take flight.

### MONEY MATTERS\$

PCS season is a time of new beginnings and opportunities, but it can also bring financial stress. While the government covers many moving expenses, service members often face unexpected out-of-pocket costs. Proactive financial planning is key to a smooth transition. Classes are primarily held virtually for your convenience, with one in-person session available.

To view the schedule and sign up, search for "JBER MFRC/ACS Tockify" (<https://tockify.com/jbermfrc/>)

For those who prefer a more personalized approach or can not make the scheduled classes, the MFRC provides one-on-one appointments with expert financial counselors.

You can schedule a private consultation by calling 907.384.1517 or 907.552.4943.

### About Hatcher Pass ATV Tours

Discover Alaska's backcountry the way it's meant to be seen – on a guided ATV/UTV tour through the rugged Talkeetna Mountains of Hatcher Pass. Just 70 miles (about 1.5 hours) from Anchorage, our tours combine the thrill of open-air riding with the comfort of enclosed machines.

Climb alpine ridgelines, splash through crystal creeks, and stop for panoramic overlooks where, on clear days, Denali rises on the horizon. Keep an eye out for moose, eagles, and seasonal wildflowers as our experienced guides lead you through one of Alaska's most scenic playgrounds.

In winter, we transform our UTVs into tracked mini snowcats, keeping the adventure going in warmth and style. We also offer scenic Alaska snowmobile tours for beginners.
